

# CONCERTA2 PEDESTAL M16 ASSEMBLY INSTRUCTIONS

**Step 1-** Locate the parts bag (packed with the stand) that contains spikes, screws, lock nuts, and hole plug. Set all parts aside.

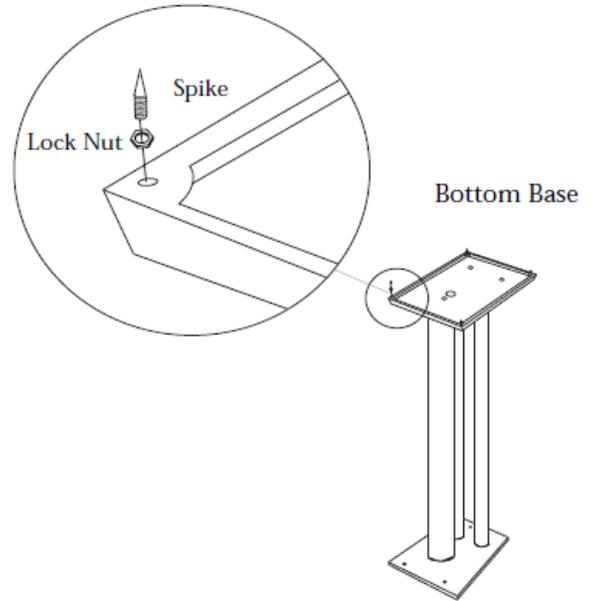

**Step 2-** Start the stand assembly by fastening the three tubes to the top plate with three enclosed M6 x 18mm Phillips flat head screws. Start all screws by hand before tightening with a screwdriver.

**Step 3-** Place the stand upside down and install the bottom base with three M8x 30mm Allen head screws.

**Step 4-** With the stand upside down as shown below, install the spike feet (from Step 1) to the bottom of the base. Thread spikes about halfway and use a wrench or pliers to tighten locking nuts. Tighten all screws again after stand is assembled. Turn stand upright and adjust spikes if required.

**Step 5-** Place your Revel Concerta2 M16 loudspeaker as shown onto a carpeted surface or a soft towel. Attach the assembled stand with four 1/4x20 x 1.0" Phillips head screws.

- Start all screws by hand before tightening with screwdriver.
